SHAME ON

SOUTH CAROLINA
DO YOU KNOW that in the sale of their Savings Bonds while York stands seventh among the counties of South Carolina, its sales are only 25 cts. per capita? And among the states we stand at the very bottom—forty-ninth—only 15c per capita, while the State of Nebraska has bought \$4.39 worth for each man, woman and child in the State.
For week ending March 16th, York stood twenty-third County in South Carolina, with only \$14,040.00 worth of sale.
What Are You Doing? Not something else, but YOU. Let us do better next week and get back up in at least the third place among the Counties of South Carolina, thus helping ourselves and helping the Government.
Very respectfully,
W. B. MOORE

LIFE

IT CAN BE A SUCCESS OR A FAILURE. WHICH WILL IT BE? YOU? ? ? ? ?
Look at the men who are successful in the eyes of the world. Ninety-nine out of every hundred started a Bank account when they were young—and stuck to it.
And now, look at the failures. Very few of them have a Bank account now. Not speaking of what they were young. Perhaps you think you have not enough money to start an account. Haven't you a dollar? That's all it takes to start a Bank.
Just try it for a year or six months. If you do not wish to continue it you have lost nothing by the trial.
Which Will It Be—Success or Failure?
IT'S UP TO YOU.
